

# Fieldwork is free at Leeds!

From 2012, Earth & Environment students at Leeds will be able to undertake a fieldwork and project programme at no additional cost.

- All core fieldtrips included in the fees\*
  - All optional weekend and day trips included in the fees\*
  - Other optional fieldtrips heavily subsidised.
  - Geology & Geophysics students given a free field kit pack worth £80
  - Geology students can claim up to £650 towards their mapping project, which is more than the current average cost\*
  - All other Earth & Environment students can claim up to £300 towards their project work\*
- \* excluding food
